## New Castle City Public Safety "Adopt a Family" and "Christmas for the Kids" Celebration

The New Castle City  
Police and Good Will  
Fire Company will be  
adopting two families  
from the City of New  
Castle as a part of the  
"Christmas for the Kids" annual event.  
Criteria for families being adopted by  
the New Castle City Police and Good  
Will Fire Company:

- The family must reside within the corporate limits of the City of New Castle.
- The family must be nominated by a member of the community.
- The family must be in good standing with the community.

The NCCPS Adopted Families for

Christmas will be funded by the donations raised in conjunction with the "Christmas for the Kids" celebration. The families chosen for adoption will be personally invited to the "Christmas for the Kids" celebration located at the Good Will Fire House. Direct donations from the community will be accepted in form of a check or present/ gift. The presents will primarily focus on the needs of the children in the family.

Please provide as much information about the family as possible when making the nomination.

Representatives of NCPD and GWFC will contact the families directly for detailed information once the families have been chosen.

Nominations can be made at the New Castle City Police Station or emailed to [tina.shughart@cj.state.de.us](mailto:tina.shughart@cj.state.de.us).

Protecting our state's precious water  
begins with you...

Storm drains and roadside  
ditches lead directly to our  
streams, rivers, lakes and  
bays. So, any pollutants like  
oil, pet waste, leaves, grass  
clippings, trash, or dirty

water from washing your car, or other  
outside activities that enter a storm drain  
eventually get into our state's precious  
waters.

How can You help? Follow these Simple  
Tips to help keep our water clean.

- Never dump anything down a storm  
drain.

- Keep grass clippings off of sidewalks and  
streets.
- Use fertilizers and pesticides sparingly  
and sweep up any excess.
- Check your car for leaks, and recycle  
used motor oil.
- Take your car to a car wash, instead of  
washing it in your driveway.
- Pick up after your pet.
- Compost your yard  
waste.

Report illegal dumping or  
evidence of discharge of  
pollutants into storm  
drains:
